

Sikkens Washprimer 1K CF

Combining the highest quality with the highest convenience

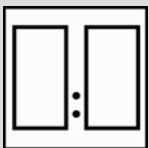

Washprimer 1K CF

Washprimer 1K CF is a chromate-free washprimer that delivers high quality end result.

Washprimer 1K CF delivers exactly what is expected of a washprimer during the application: good substrate adhesion and corrosion resistance.

Washprimer 1K CF can be mixed with Plus Reducers for greater flexibility. Additionally, after mixing, the product can be stored due to its long potlife, leading to less waste.

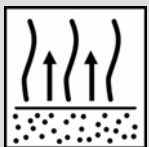

Washprimer 1K CF is also available in aerosol. The aerosol offers huge time and paint savings.

100:50

1-2 coats

Recoat after:
15 min. / 20°C
